

Discipleship Group Commitment

I commit to pursue intentional discipleship to Jesus in this group through the following:

I commit to prioritize my attendance at Discipleship Group by setting aside time in my schedule to attend our meeting every other week, on average.

I commit to complete any reading or assignments for the study that the group is doing before each meeting.

I commit to keep anything shared in the Discipleship Group in confidence unless there is risk for harm to self or others.

I am making these commitments until the end of this calendar year.
